DATE OF NOTIFICATION: _____

Dear Parent/Guardian:

Three times a year, we assess each student's math and reading levels. Based on the scores of your child, they are selected to receive additional instruction in math and/or reading. This additional instruction is in a small group and focuses on your child's specific skills.

The scores on your child's screenings show we need to begin additional instruction through RTI in:

STUDENT NAME: _____

☐ Math - Approximate Grade Level Performance:

☐ Reading - Approximate Grade Level Performance:

If you would like to work with us to set goals, look through the curriculum, or discuss any questions/concerns you may have, please call (217) 466-3050 to set up a meeting. You can also view more information about the RTI program if you go to the Mayo Middle School website and look under the Parent tab.

Mayo Middle School is dedicated to helping your child perform at level, and we want them to have a successful transition from middle school to high school with the skills they need to be prepared. Thank you for your support.

Sincerely,

Mission Statement – To prepare students to become lifelong learners and productive members of society.
